Bio Melt Pro Ingredients

Bio Melt Pro fat burning supplement has been created with highly potent ingredients that work in concert to boost metabolism and activate the body's fat burning mechanisms. This product is formulated by a team of highly experienced scientists whose goal is to deliver a pure, safe, and highly effective weight loss catalyst. Key ingredients include:

- **Grape Seeds** – powerful ingredient that helps prevent accumulation of fat in your body. Also boosts metabolism, improves immunity, and controls sugar levels and high blood pressure.
- **Goji Berries** – boosts energy levels, improves immunity, and keeps sugar levels in the body balanced.
- **Olive Water** – this is an antioxidant-laden ingredient that protects cells from oxidative stress, as well as ensures healthy heart function and optimal brain function.
- **Amla Seeds** – known for their ability to burn belly fat. Also rich in fibers that promote optimal digestion.
- **Gotu Kola** – this is an Asian herb that is well known for its weight loss benefits. Also rich in essential nutrients and vitamins that are known to regulate metabolism.
- **Bladderwracks** – this plant-based ingredient has been used in traditional medicine for hundreds of years. It is rich in iodine and improves thyroid function for optimal regulation of body weight.
- **Corydalis** – contains THP, a powerful compound that has been used to treat sleeplessness for ages. Also alleviates emotional disorders, restlessness, anxiety, and small intestinal spasms. Corydalis has also shown benefits in the prevention of fat depositing.
- **Poppy Seeds** – rich in magnesium and calcium, this powerful ingredient helps treat insomnia and activates the brain to work in a way that cells can release unwanted fat.
- **Passiflora** – this is a natural chemical that relaxes the brain, improves sleep quality, and calms the nervous system.
- **Marshmallow Root** – these are known to be highly beneficial for the digestive system. Widely used for treating acidity, heartburn, and constipation. It also protects the gut from irritation and inflammation, and ensures smooth bowel movement.
- **Prickly Pear** – this is a cactus-type plant that reduces bad cholesterol in the body, directly promoting weight loss and optimal body health.
