Biotox Gold Ingredients

[Biotox Gold liquid herbal supplement](#) is created from highly potent ingredients obtained from plant sources.

- **Malabar Tamarind** – this is a plant that is native in Indonesia and has roots that are laden with powerful antioxidants – which help keep your body free of toxins. In addition, Malabar Tamarind is known to help increase metabolism and regulate cholesterol and sugar levels.
- **Panax Ginseng** – this is a benefit-rich ingredient that is often used in health supplements. Ginseng can help treat chronic fatigue, depression, and anxiety. It also helps boost energy levels and improve the immune system response. This particular ingredient has also been known to promote lung function – ensuring an optimal breathing system.
- **Guarana** – this is a natural ingredient that is native in the Amazon basin. It contains rich medicinal properties that can help alleviate obesity problems, build muscles, and boost energy

levels.

- **Eleuthero Root** – available in the form of an extract, Eleuthero Root is known to boost immune function, lower stress levels, diminish appetite, and ultimate help in weight reduction.
- **Irvingia Gabonensis** – originating in Africa, this powerful ingredient delivers important medicinal benefits. To start with, it helps regulate cholesterol and glucose levels, as well as minimizes your chances of contracting diabetes.
- **Grape Seed Pyruvate** – this is another highly potent ingredient of Biotox Gold that helps flush out toxins from the body as well as get rid of harmful pathogens that trigger serious diseases. It also regulates blood pressure and lower triglyceride levels in the body.
- **Capsicum** – contains cancer fighting properties, improves vision, and also helps minimize the risk of contracting numerous illnesses.
- **Maca Root** – delivers phytonutrients and powerful antioxidants that increase libido, reduce PMS symptoms, as well as increase energy levels in the body.
- **Glycyrrhizin** – this is an active detoxifier that is also referred to as sweet root or licorice root. It helps flush out toxins, support respiration, and naturally enhance immune function.

This collection of super-beneficial ingredients work together to boost healthy bodily functions, increase metabolism and promote optimal weight balance in the body.
